THE DESTINATION

Harbour Island

Harbour Island is One of Pink Sands Greatest Amenities.

A 3-mile long Bahamian island set off the coast of Eleuthera in the Bahamas' Out Islands. An island rich in culture within an intimate environment of famed pink sand beaches and turquoise waters, Harbour Island offers the ultimate in convenience, ease, & laid-back luxury.

With diverse cuisine, resorts, experiences, shops, and activities, guests can be as active or relaxed as desired. Known for its epic beachscape, lush tropical environment, and local charm, Harbour Island has become a holiday staple for generations.

Harbour Island is easily reached via air or sea. North Eleuthera International Airport (ELH) is closest and the preferred airport for Harbour Island, Bahamas. A short plane ride from South Florida, followed by a 10-minute ferry from North Eleuthera brings you to your Pink Sands getaway.

A HARBOUR ISLAND CELEBRATION

What is Junkanoo?

Junkanoo is an open air parade with music, dance and costumes of Akan origin in many towns across the Bahamas; traditionally celebrated on Boxing Day (December 26) and New Year's Day (January 1). This festive tradition has been performed on other celebratory occasions such as weddings.

A local Harbour Island Junkanoo band is available to perform for weddings for the island style delight of all in attendance. Performances include colorful costumes, horns, bells whistles, drums and much festive dancing to create a highpoint to the wedding evening.

For any wedding couple seeking an authentic Bahamian wedding celebration a Junkanoo is considered an overwhelming must have element.
