Food & Beverage

Our in-house culinary team of skilled chefs crafts custom menus for each event, influenced by seasonal flavors. From breakfast to late-night bites, our focus is on thoughtfully prepared, high-quality cuisine that leaves guests delighted and inspired.

Our in-house bar program features classic cocktails, modern favorites, and handcrafted mocktails, alongside beer, wine, and custom signature drinks, with selections that evolve with the season.

Sustainability is also central to our culinary approach. Unconsumed food is shared with our community, and remaining food is responsibly composted, helping us maintain food waste of less than 1%.
