

PROSECCO AND BUBBLES & BREWS CRAFT BEER BAR

Meet Blossom

Inspired by London's original Prosecco vans, our Bubbles & Brews bar is the perfect way to serve your guests bubbles, draft beer, wine, specialty cocktails and more in an unforgettably cute truck. You supply your drink of choice, and we serve it up using our beautifully restored vintage Piaggio mini truck. A true conversational piece (which also doubles as a great photo op!) Blossom is sure to keep your guests talking about your special day for years to come!

Blossom can accommodate Sixtel and tall 1/4 barrel kegs only, that work with a Sankey-D Coupler.

We play well with others. Your venue or caterer are welcome to staff our bars.

Only have wine in bottles? That's OK! We have fillable kegs that work with our system. We just decant your wine of choice (including bubbles), and serve!

Extra cocktails on draft are \$150 per tap.

A regular electrical outlet must be available for us to plug into. This operates our chiller system to keep your drinks nice and cold.
