

PROSECCO AND BUBBLES & BREWS CRAFT BEER BAR

Meet Blossom

Inspired by London's original Prosecco vans, our Bubbles & Brews bar is the perfect way to serve your guests bubbles, draft beer, wine, specialty cocktails and more in an unforgettably cute truck. You supply your drink of choice, and we serve it up using our beautifully restored vintage Piaggio mini truck. A true conversational piece (which also doubles as a great photo op!) Blossom is sure to keep your guests talking about your special day for years to come!
