ABOUT US A LOVELY PARTY

A Lovely Party is a go to balloon decorator for businesses in New Jersey and NYC since 2016. We work hand in hand with our clients to assure that they receive a product that fits their needs and works within their budgets. We work with everyone from a solo entrepreneurs opening their first location to Fortune 500 companies hosting their annual share holders meeting.

WHAT WE DO

We love working with our business clients. Whether you are looking for a classic balloon arch for a graduation ceremony or a more modern balloon garland for an experimental marketing event, we have the expertise to help elevate your space. Balloon installations are on trend and can be seen everywhere from grand openings to television sets.
