PRICING GUIDE

2024-2025

CONGRATULATIONS ON YOUR ENGAGEMENT!

Weddings by Danica is not just another wedding planning company. We are a team of passionate romantics who believe that every love story is unique, and every wedding should reflect that. So, whether you envision a beach wedding with your toes in the sand, or a rustic barn celebration surrounded by wildflowers - we are here to help bring your vision to life.

Our journey began when our founder, Danica, planned her own stress-free, magical wedding. She realized that she wanted to help other couples experience the same joy without the headache. That's why our promise to you is a personalized, stress-free wedding planning experience.

But enough about us, let's talk about you. You're not just a client to us, you're a friend. We want to hear about your great love story, your dreams, your favorite ice cream flavor, and even your dog's name. Why? Because we believe that the more we know about you, the better we can plan a wedding that truly reflects your personality.

We're more than just wedding planners, we're storytellers, dreamers, and most importantly, we're your biggest cheerleaders. When you're happy, we're happy. It's as simple as that.

So, let's start making memories together. We can't wait to be a part of your love story.

With all our love, The Weddings by Danica Team.

THE PROCESS

Step One: Book with Weddings by Danica

Are you ready to book? Perfect! Let us know which package you would like to go with (don't worry, we can always adjust to a larger package later!) and we will send a copy of our contract that can be signed online along with an invoice. At the signing of the contract, a 20% deposit is due - which can be paid online. The remainder of your payment will be due a month prior to your wedding - but you can log on and make a payment at any time!

Step Two: Fill out the Questionnaire and Schedule your Onboarding Meeting

After your deposit is paid, you will receive a link to our Client Questionnaire and a link to schedule your Onboarding Meeting. We ask that you complete this Questionnaire at least 24 hours before your Onboarding Meeting. During your Onboarding Meeting, we will walk you through your client portal, discuss where you are at in planning now, and answer any questions you may have.

Step Three: In-Depth Review Sessions

During our time together, we will have at least 3 In-Depth Review Sessions so that we can best do our job as your wedding day management team. The first meeting, we will review your Ceremony and Reception specifics including bridal party, vision, logistics/flow, and more. During our second meeting, we will begin to discuss timeline and decorations. At our last meeting, we will review the final timeline, create your month out checklist, and more. At any point in between these sessions, your coordinator will be available via email and text for questions!

Step Four: Wedding Week

We made it to the big weekend! Your coordinator will provide a copy of your Itinerary to you, members of the bridal party, and family members via email. Your coordinator will also be in touch with your bridal party to confirm logistics and timing day-of prior to arriving on site. We will check-in with everyone upon arrival before we begin setting up, working with vendors, and more.

Ready to book? Let your coordinator know which package you would like to book and we will begin The Process!
