THE VENUE

Nestled beside a running stream, this family owned & operated 1831 colonial mansion is located just 60 minutes from NYC. Our exquisite 3-level home features wrap around porches and awe-inspiring views of the countryside. Fox & Bear Lodge is comprised of 8 lush guest rooms, painstakingly restored to preserve the original character of the house, while at the same time delivering modern upgrades designed for our guests' comfort.

In regards to exterior event space, there are (3) areas that when combined, lend themselves to an extraordinary and memorable evening. Welcome cocktails may be served by our famous red bridge, creekside. Guests may then walk up a stone path to the Terrace Lawn for the ceremony.
