

## **Rates starting at:**

### **Full Service Planning: \$12,000**

*Planning begins 6-9 Months out*

#### Description:

I work best with couples who value deep connection and commitment to personal growth through the process of planning their weddings. Together, we create meaningful events unique to their relationship that are equally beautiful and intentional. Full service planning means I can be there to hold my couples' hands through the entire process and beyond.

#### Services that *may* be included in starting price:

- Vision Mapping
- Event Styling & Design
- Venue Recommendations
- Vendor Selection
- Vendor Management

### **Partial Planning: \$6,000**

*Planning begins 4-6 months out*

#### Description:

Partial planning is great for couples who want to do their own planning while having access to my guidance and support as needed. This is great for couples who are very good at project management and have the time, energy, and enthusiasm to plan their own weddings but know they need some extra support to make it happen in the best way. Partial planning also includes day-of coordination.

Services that *may* be included in starting price:

**Day-of Coordination/Management: \$4,600**

*Planning begins 3 Months out*

Description

This is a good option for couples who are excellent and organized planners. I still help you refine your vision and guide you in the planning, but you do the majority of the preparation. I help create the final timeline, lead rehearsal, manage vendor setup and breakdown, and produce the event so you can fully immerse yourselves in it!
