

The Tyger

2023 Events and Private Dining Program

1 Howard St, Soho, New York City

The Tyger

The Tyger is a dynamic South East Asian Restaurant located at 111 Howard Street – on the border of Manhattan’s Soho and Chinatown. We pride ourselves on executing New York City’s most exceptional, memorable and unique events.

Opened in September 2020 at the height of the Pandemic, The Tyger quickly established itself as a beloved, high energy, exceptional dining experience. It marries some of the city’s best South East Asian food with a fun, bright bistro space.

The space is unlike any other in downtown Manhattan. Incorporating our Main, Private, and Semi-Private Dining Rooms, the restaurant can be activated and reimagined to host a wide variety of events and celebrations.

The Tyger is ideal for hosting seated dinners, standing cocktail receptions or dance parties both day and night. The Tuxedo Hospitality team is experienced in hosting everything from Weddings to Bar/Bat Mitzvahs, Brand Launches, Corporate Events, Fashion Week Shows and Parties, Birthdays and Holiday Parties for some of the world’s most celebrated and prominent guests.
