

## Services & Pricing

Hi, I look forward to meeting and working with you!

This document outlines the different packages that I offer and the services included. If there's a specific part of your planning process you'd like my help with that isn't listed just let me know and I may be able to add it on.

### Wedding Consultation | \$500+

For the couple that wants full control of their wedding and is just looking for guidance on the process and recommendations from a professional.

### Wedding Coordination | \$750+

For the couple that already has their vendors, knows what they want, and needs some additional guidance and/or execution of their vision on the day.

### Custom Planning/Microweddings | \$1500+

For the couple that has all of their vendors already and wants someone else to take over or is having a microwedding and wants someone else to handle the planning for them.

### Special Events | \$1000+

For any other event that isn't a wedding but you want help with (e.g. baby showers, dinner parties, bachelorette parties, etc.).

### À la carte | priced by service

For the couple that needs something specific like only setup and tear down on the day of or advice on your timeline or floor plan.
