## ABOUT US

Located in East Nashville just three miles northeast of downtown, Emerson Hall is a historic-meets-contemporary 4200 square foot space. Originally built in the 1930s the space has been completely remodeled to showcase its beautiful bow-and-truss vaulted ceilings, abundant natural light, and hardwood floors. Keeping the original design, the space's sanctuary doors open up to it's elegant front steps and lawn. We offer all-inclusive in-house custom catering and bar services.
