## AN INCOMPARABLE RUSTIC SETTING

### Who We Are

Whatever the occasion or style of your event, we will work tirelessly, thoughtfully, and creatively to bring your vision to life and ensure that your wedding ceremony and reception reflects who you are and what is most important to you, your family, and guests.

As the owner of The Palmer House Stable my commitment to exceptional experiences is evident in our 4.9 Star review rating "We must be doing it right!" as we delight in serving you with all the quality and care you've come to expect from the Palmer House Stable experience – inside historical original stone walls and timbers from 1838; outside the Stable Terrace string lights and bonfire.

I have always said a memorable experience is "in the details"
