MORE VENUE SPACE
THAN ANY OTHER
HOTEL ON THE
ISLAND!

THE GREAT LAWN

THE GREAT LAWN

The Great Lawn is a beautifully landscaped area that features lush grass and charming English gardens, making it the perfect location for a Vineyard wedding. The location is private and secluded, situated at the back of the property behind the Roxy Pool Bar and Pool, providing a serene and romantic atmosphere for your special day. To ensure everyone is comfortable and in the right mood, tables are arranged beneath a beautiful tent to create a lovely ambiance.

For a seamless flow for your wedding, we suggest having dinner under the tent on the Great Lawn, followed by dancing and speeches in the Edgartown Room. Please note that a tent is required for outdoor events, and in case of inclement weather, the Edgartown Room can be used for dinner and dancing.

It's important to note that sound amplification is not permitted in outdoor spaces. However, many guests enjoy acoustic music outside, followed by a band or DJ in the Edgartown Room. We hope these details have been helpful to you and will assist you in planning the perfect wedding day!

TESTIMONIALS

BETTER THAN WE DREAMED OF!

My husband and I had our wedding ceremony and reception at the Harbor View in September and it was better than we dreamed of! Everyone we worked with was helpful, professional and made our wedding something we will never forget... My husband and I were able to relax with our guests and didn't have to worry about a thing the day of our wedding. The culinary team is also amazing - we received many compliments from our guests about how great the food was.
