next STEPS

STEP 1

Decide which packages and services suit you perfectly for your wedding day to discuss on our consultation call. Don't worry about the add-ons. *Extra coverage can be added up until the day of your wedding. We can also create a customized package to fit your needs.*

STEP 2

Schedule your consultation with us for a "Get to know us" Consultation call. We will discuss your wedding day, get to know you and your fiancé better, and discuss any questions you may have about this pricing guide. We always suggest having all of the decision-makers on the call to answer any questions you may have.

STEP 3

After our call, we will send you a proposal of the package we discussed on our consultation call along with the contract. If you do not have any questions for us, you can sign the contract and pay the required non-refundable 30% retainer to book your wedding on our calendar. We do have a first come first serve policy.

*Thank you for your trust and unwavering support
in considering us to accompany you on your iconic wedding day.*
