# WE'RE HERE FOR YOU

We want every meeting, decision, and conversation to leave you feeling cared for and excited about your big day.

We offer a few different ways of doing that:

## FULL & PARTIAL PLANNING

For help managing the entire planning process. We assist you with your budget, compile vendor proposals, and attend meetings with you. We guide you every step of the way with regular check-ins, then coordinate everything on wedding day so you only focus on having fun and getting married!

**Typically \$7,000 - \$12,000+**

## SIGNATURE SUPPORT

✦ ✦ Our most popular package! ✦ ✦

For the hyper-organized couple who want to plan their own wedding but not waste time searching for resources and advice. You drive the train, we keep you moving forward and on track. Then, you hand over your beautifully laid plans and we take over logistics so you can enjoy all your hard work.

**Typically \$4,500 - \$6,000**

## COORDINATION ONLY

For couples in the final stretch. Your planning is done and it's time for us to create and polish your timeline, confirm details with vendors, and lead your ceremony rehearsal. On wedding day, we coordinate all the moving parts so you can relax and enjoy your special day.

**Typically \$2,500 - \$4,000**

## YOUR VISION. OUR EXPERTISE.

Here at Weddings by Kristy, we plan for the couple. Listening intently to what you want your wedding to feel like, we help you nail the vibe that makes your guests say, 'This wedding was so YOU.'

"Kristy was amazing. Brittany and I have talked about how hiring her was the best decision we made in all of our wedding planning efforts. From the outset, she gave us a wealth of products and information that ensured we had all of our ducks in a row."

"Kristy was a dream to have as our coordinator! We immediately hit it off. She is a true professional who really knows her stuff, and we immediately felt comfortable with her from the beginning. She was very approachable and LGBTQ friendly (a must-have for us as we are a queer couple)."

"Talking to guests and vendors at and after our wedding, we have said the same thing: Kristy is amazing! So many people commented on how efficiently our wedding was run and how they knew exactly who to turn to if they had questions."
