EVENTS

FIVE IRON IS FOR EVERYONE

Five Iron Golf set out to reshape urban golf culture, turning traditional golf on its head. Helping the masses to get their swing on, the 5i way is **access** to play, practice and party, **inclusivity** to bring out the golfer in everyone through dynamic experiences.

Proper golf attire NOT required.

Swing by in your street clothes, straight from the office or dressed for the gym.

We're all golfers here!

Five Iron Golf is as inspired by the first timer, as much as the low scorer.

THE COMPANY WE KEEP

We had a wonderful experience having our event at Five Iron. The staff was **SO ACCOMMODATING** and easy to work with. Our members loved the venue and can't wait to go back! We heard from multiple attendees that they had more fun than they've had in a long time.

- Sabrina K., match.com

You are **GREAT HOSTS**. We felt welcome, comfortable, and set up for success.

- Ethan G., Callaway Golf

I'm happy to report that not only was everyone blown away by the venue (especially golfers), but (as expected) people with no golf experience picked up the club (some for the first time) and had a great time. **THIS IS THE REASON I LOVE 5I...** because it breaks those conventional thoughts and notions about the sport!

- Deanna D., Summer Search

Your team was **IMPECCABLE**. Every single staff member was fully engaged, friendly, and kept the event moving. Attendees had a fantastic time and so many had never experienced a brand like yours.

- Tamara A., Bacardi USA

Absolutely fantastic. Went for one of my friend's birthdays and had a great time. Got three golf simulators and an open bar for a very reasonable price. Service was excellent. Staff was always on top of drinks and food. **HIGHLY RECOMMEND** to anyone who's looking for a good time with friends.

- Nicholas R., 5i fan

We had a group for a bachelorette party and this place was amazing! All of the staff was super nice, friendly and very attentive to our group. They made it so easy to get started and explained how everything works. The facility itself was awesome, very big with lots of other table games and great decorations. We absolutely **WANT TO GO BACK**, it was an awesome experience.
