"My guests kept saying 'this is the best wedding ever!' during the dancing portion of the reception and this wouldn't have been possible without our DJ! Guests even asked me 'what song was played after x and before y?' because they wanted to relive that moment."

★★★★★

CARLOS C.

"Orlando was amazing at our wedding! He has a preparation process that is very professional and organized...My wife and I couldn't be happier with our decision to hire [Continuum DJs]!"

★★★★★

RAQUEL C.

"I have nothing but great things to say! Everyone LOVED the music that was played at our wedding. I am not the type of person to pick out specific songs. I told him the genres that we liked and kind of left it up to him. He absolutely killed it."
