Wedding Day Planning & Design

Best. Day. Ever. We are your partners throughout the planning process, and will collaborate with you to bring to life the perfect wedding day. Our wedding day planning service includes logistical planning for your wedding day, design curation, building your perfectly suited vendor team, & event production. Mia & her team love curating unique guest experiences & out-of-the-box wedding design for a day that feels "so us".

We use a percentage-based structure, based on your total wedding investment. Send us an inquiry to schedule a discovery call & we will curate a customized proposal just for you!

Event Management \$2900

Planning your own wedding but looking for a team of wedding professionals to execute the vision? We offer high touch event management & wedding coordination through our associate team, buttoning up every detail in the final buildup to the big day. From your layout & seating chart, to the day-of timeline & vendor management, we are your touchstones of calm. Beginning at \$2900.

- A suite of planning tools to guide you as you plan, & access to our team for guidance & questions
- Meet at the venue ~6-8 weeks before the wedding for a final walkthrough
- Create & manage a detailed timeline & reception layout, to be shared with vendors
- Direct & coordinate the wedding rehearsal
- Set up ceremony, cocktail hour, & reception sites alongside other vendors
- Cue the processional & ceremony & all timeline events
- Serve as point of contact for all vendors on the day-of & cue vendors for big moments
- Our team will manage & collaborate with your vendor team throughout your wedding day.
- Bring a "just in case" wedding kit
- *Looking for just a little more? We offer Sage Sessions & hourly consultations to get you started on a joyful planning journey!*

Wedding Weekend Planning & Design

Lean into the weekend! Our full planning & design includes high touch service for all your wedding weekend events, from every logistical detail to every design element. With over a decade in hospitality & five years in Charlottesville weddings, Mia & her team assist with every detail from venue selection to thoughtfully detailed design elements & curating the perfect creative team, to the most incredible guest experience.

We will manage every detail, from your stationery to your florals to your venue for each weekend event. We use a percentage-based structure, based on your total wedding investment. Send us an inquiry to schedule a discovery call & we will curate a customized proposal just for you!

Additional Notes

Our Ethos

Little Acorn Events Co is a full service wedding planning & design firm specializing in thoughtfully curated weddings, with you & your partner as our focus during the planning process. We believe that the wedding planning experience doesn't have to be stressful, but rather a joyful & creative collaboration between couples & planners. We seek to build meaningful & mindful relationships in order to ensure a planning journey that is thoughtful & intentional for each of our unique couples. We want you to feel joy & ease throughout your engagement! On your wedding day, our team curates special moments for you & your partner, so that you can soak up the joy of your celebration.

Sage Sessions \$320

Exclusively for our *Event Management* clients, we are so excited to offer Power Planning sessions, with the goal of getting you started on your planning journey with joy & ease! This is a two hour meeting in which we dive deep into your budget, wedding vision, goals, & ideas. You will receive a *folder of tailored deliverables*, including:

- a budget tracker
- a 12 month planning checklist
- a list of recommended vendors
- a mood & design board
- a guest list spreadsheet
- a seating chart template
- all the tools you need for a stress-free engagement

Communication

We use Honeybook for all client contracts, invoices & communication. Please refrain from texting unless it is the week of your wedding. We are in office Monday-Wednesday, & do our best to answer all emails with 1-2 business days. We take Thursdays off & are often onsite with limited internet access Fridays & Saturdays.
