Flye Weddings Day-of coordination:
\$800.00

Best for: the most budget-friendly option that lets you focus on having fun on your big day, smaller weddings, particularly those that take place in an unfamiliar location to you and your spouse-to-be.

- Flye Weddings Day-of service starts at \$800.00.
- Starts with a consult after booking and deposit is paid.
- Deposit is \$250.00 for this package.
- Last payment is due 14 days prior to wedding date.
- Services begin 8 weeks prior to wedding date.

On the day of your actual wedding:

- I shows up early to make sure every detail is in place.
- I am the point of contact for the vendors and will also give them final payments.
- I am on site during the entire event, coordinating all the activities and ensuring a seamless production.
- I will also direct set-up and tear-down, manage the timeline, handle unexpected issues, and generally ensure the day runs smoothly. However, keep in mind that their main focus is on making sure that the event goes smoothly for you and your guests.

I want to make sure people get in and out of the venue at the right times, are taken care of, and behave responsibly.

- 10 hour Wedding Day.
- 2 Hour appointment for Day of Details.
- Final Timeline.
- Vendor Check IN.
- Rehearsal Day Management.
- Wedding Day Management.

- ★ • "Day-of" service actually begins about eight weeks prior to the wedding — but you should hire the planner/coordinator as soon as you can so you're not leaving this detail to the last minute. Flye Weddings also may be able to offer venue recommendations and a preferred vendor lists.

In day-of planning, the couple:

- Plans everything about the wedding themselves.
- Books the venue and vendors.
- Decides the theme and figure out decor.
- Coordinates the guest list and mail out invitations.
- Creates the seating chart and book the entertainment.
- Create seating charts.

Then, four weeks out, the wedding coordinator steps in to help finalize all the details including..

- Flye Weddings Day-of coordinator will use vendor contact information and contracts provided by the couple to confirm vendors and manage their scheduling.
- Flye Weddings Day-of coordinator will create a timeline for the day, so you know when each step of the event will occur
- Flye Weddings Day-of coordinator include attending the rehearsal in their fee.
- Flye Weddings Day-of coordinator, like the name suggests, is in charge of making sure your wedding day runs smoothly. I will follow your plans and schedule on the day rather than working behind the scenes in advance.

Flye Weddings typically do tasks including:

- Creating a detailed itinerary for the wedding day and distributing it to all the vendors and key people involved.
- Supervising the setup of the ceremony and reception venues, making sure everything is in place according to your vision.
- Managing the flow of the events, like directing guests, cueing music, and announcing speeches.
- Admin like handling emergencies, caring for personal items, and dealing with transport and vendors.

I highly recommend hiring a day-of coordinator so that you're not tearing out your hair trying to manage everything while you're busy trying to get married.

Flye Weddings Wedding Management: \$1,000.00-\$1999.00

You may think the hard part is over when your wedding is only a couple months away, but most couples are surprised and overwhelmed by the little things that come up in the final days before they say "I Do." Flye Weddings wedding Manager will ease this stress and ensure everything is ready for the big day.

In addition to everything included in the Day-of Coordinator Package you will also get coordinating and communicating with the couple, the wedding party, and the wedding vendors, a wedding management will take on all last-minute planning details and ensure your wedding vision comes to life. You may also hear this service referred to as "Wedding Manager," as it can be broader in terms of timeline and responsibilities.

These additional responsibilities include:

- Planning the seating chart and day-of timeline in advance
- RSVP management (and chasing up wayward invites, if need be)
- Checking in with vendors and distributing tips
- Reviewing contracts and vendor information
- Flye Weddings Month-of-coordinators will also be prepared for any unforeseen issues, including broken bustles, managing difficult family dynamics, and finding wayward wedding party members during photos.

Flye Weddings Full planning & Design wedding planner comes with service and insight that can be worth the extra funds. Flye Weddings wedding planners work similarly to interior designers in that they take a percent of the total wedding spend.

For help and design advice from engagement to "I do," Flye Weddings wedding planner offers complete planning and event design in the package. Unlike a coordinator, a wedding planner will be there from the very start and can help with everything from your color palette and mood board to wedding venue selection.

Flye Weddings full-service wedding planner is especially helpful for destination weddings or large weddings with lots of moving parts. Flye Weddings can also help lower costs and save you time by recommending vendors that are within your price range. Flye Weddings may even be able to secure discount pricing or added perks if they have existing relationships with your vendors.
