GET TO KNOW US!

Nune, Arthur, and Elizabet are 3 young entrepreneurs who LOVE açai and want to bring it to their community. They opened their store in Montrose, CA in 2023 and are now offering catering to bring their delicious product straight to you!

They believe that being healthy does not have to come at the sacrifice of taste and fun! Açai bowls are full of antioxidants, nutrients, and vitamins, and you can customize them as you please!

Allow them to bring fun, tasty, and healthy bowls of joy at your next event. You just choose your package and they will take care of the rest!
