

# Collection 1

## Elopement

Perfect for intimate moments, this package offers 2-3 hours of focused photography coverage, capturing the essence of your elopement. Alongside the stills, you'll receive a beautifully crafted HD video, showcasing the highlights of your day, perfect for sharing with friends and family. Your memories will be accessible through a high-resolution private digital gallery, making it easy to download, share, and relive those moments at any time.

Our complimentary consultation helps ensure we capture every detail, while travel and lodging fees are included, so there are no surprise costs. Your images are safely backed up for five years, and you'll have full printing rights, allowing you to create your own albums and prints whenever you like. A perfect blend of simplicity and lasting value
