A GOURMET CAKE BOMB BAKERY

---

“Life is too short for boring desserts”

## WHO WE ARE & WHAT WE VALUE

---

Bomb Babes is a bold, home-based bakery in Canton, GA, dedicated to transforming classic desserts into oversized Cake Bombs—decadent truffle-like desserts with a kick. Each Cake Bomb combines rich, moist cake with gourmet ingredients, creating a filling that's intense, smooth, and unapologetically indulgent. We specialize in flavors that challenge the usual while keeping a level of sophistication in each bite.

01

### BOLD CREATIVITY

We celebrate boldness in flavors, designs, and ideas, delivering Cake Bombs that challenge norms and ignite a love for the unexpected.

02

### QUALITY & CRAFTSMANSHIP

03

### TRANSPARENCY & TRUST

Every ingredient matters, and customer trust is vital. We ensure full transparency in labeling and allergen information to make our treats accessible for all.
