

A woman in a white wedding dress stands on a rocky cliff edge, looking out over a vast mountain range at dusk. The sky is a soft mix of orange and blue, and the mountains are silhouetted against the light. The text is overlaid on the right side of the image.

wedding day ESSENTIALS

From getting ready to the ceremony, portraits and cocktail hour, to the reception and a sparkler sendoff, 6-8 hours is usually just the right fit for a standard wedding day.

For day-hike elopements, this option will give you enough time to relax, explore a bit, and enjoy the views together, have a celebratory picnic, or host a mini-reception.

let's talk TRAVEL

THE DESTINATION WEDDING OF YOUR DREAMS

There's no better way to celebrate your lifetime of adventures together than with the adventure of a lifetime.

Imagine: You and your closest loved ones, being your beautiful authentic selves, in a wild, incredible, and intimately meaningful place. Whether your dreams take you to the top of a mountain at sunrise, under the cool mist of a waterfall, among the tallest pines of the deepest woods, or the other side of the ocean – let's get out there. Never planned a trip like this before? THAT'S OK! I've planned plenty, and I'm here to help you every step of the way.

If your location is within driving distance of my home base (currently **Charleston, SC**), the first 50 miles are included free; after that, driving is charged at a rate of \$1 per mile.

For more advanced travel plans – plane tickets, hotel stays, car rentals, etc – we'll talk through everything in detail ahead of time and make sure we're in full agreement on exactly what those travel costs will be.

thank you!

I HOPE TO HEAR FROM YOU SOON!

If you have any questions at all, please don't hesitate to get in touch - I'm more than happy to talk through options or customizations. Let's schedule a quick call, video chat, happy hour or a coffee date!
