PLANNING SERVICES

A high-touch experience for all of your wedding planning needs. Perfect if you know what you want but don't know how to make it happen.

From venue and vendor research and negotiations to overall event design, we handle the behind-the-scenes tasks so you can make decisions easily and swiftly, allowing you to focus on your engagement and freeing up your time to revel in all the sweet moments you're looking forward to.

Our full-service planning packages are custom to you - taking your specific needs into account, the type of venue, design, and celebration size. Our pricing is a combination of design and management fees plus a percentage of your overall production costs managed by our team.

Full-service planning services are ideal for wedding budgets that fall in the range of \$750-\$2,500 per guest.

Starting at: \$15,000 - \$25,000+

WEDDING MANAGEMENT

Wedding Management services are only available at select venues and can be booked 6 months in advance of your date. They are perfect for you if you love spreadsheets, thrive on research, know your vision - you just need guidance to pull it all together and make it happen.

When you work with us in this capacity, you'll spearhead your own wedding planning following our Phase-based system. In the last phase, your wedding planner will manage logistics conversations, distribute timelines, and collect insurance and information necessary to achieve a flawless event. Communication with our team and your first planning meeting will take place 60 days prior to your event.

Pricing is custom, taking into account different factors such as the venue type, guest count, production needs and hours spent executing your perfect event.

Starting at: \$3,500.00+

WHITE-GLOVE SERVICE

*Elevate your Wedding Management
by adding our White-Glove service.*

For an additional fee, we will begin supporting as soon as you book us to put you on track for a seamless planning process. We kick off your planning process with a detailed meeting where we will provide a planning and event timeline, vendor recommendations, and investment allocations.

When you add our white-glove service to wedding management, you'll be able to email us with questions and for advice from the start, and include us in all emails with your vendors enabling us to monitor conversations and circumvent any issues as they arise.

Pricing is custom, taking into account different factors such as the venue type, guest count, production needs and hours spent executing your perfect event.
