Steve Phillips is an accomplished **Saxophonist and DJ** for weddings and private events, and owner of Smooth Sax DJ. With over a decade of wedding and private event experience, He has a unique and extremely versatile performance style. Smooth Sax DJ offers a **fully comprehensive entertainment package** encompassing Saxophone, live DJ/ MCing services, lighting, special FX and Photo Booth. “Intelligent” lighting options are also available that are wirelessly controlled to create a fully immersive and engaging light show. Wireless microphones are also included for speeches and announcements. Projector/screen service available as well.

DANCING SET \$2,000

- Live DJ, MC and Sax up to 5 hours
- High-end professional sound system
- Custom music planning portal
- Includes basic cocktail and dinner music without sax.
- Basic wash lighting

SAX & DJ UPGRADES

Saxophone/ MC for Ceremony, Cocktails, and Dinner

CEREMONY ADD-ON + \$300

Pre-Ceremony + Ceremony

Live saxophone or MP3s set the tone as guests arrive. Favorite songs performed live on saxophone during the Ceremony (optional). Wireless mics for officiant and groom.

COCKTAIL HOUR ADD-ON + \$300 (\$500 STANDALONE)

Upbeat Saxophone for one hour to get the celebrations started!

DINNER SET SAX ADD-ON + \$300 (\$500 STANDALONE)

Live Saxophone throughout the grand entrance, first dance and dinner. A custom, tailor-made playlist will be provided with a mixture of live Saxophone and background music, upping the energy towards the end of the dinner to get people up and dancing!

GET \$100 OFF WHEN YOU BOOK ALL 3!

LIGHTING UPGRADES

Transform the vibe of your wedding with professional lights around your entire venue space(s), with the ability to respond and react to the music during dancing for an immersive lighting experience!

UPLIGHTS +\$300

Set the perfect mood and eliminate dull lighting with our LED uplighting package.

Up to 12 wirelessly controlled uplights will bathe your venue in vibrant colors, enhancing your theme and creating an unforgettable atmosphere. Add to any DJ package.

MOVING HEAD LED BEAMS

Moving head LED lights sweep colorful beams or shapes across the room.

Choose Uplights PLUS Moving Head lights with our Premium Lighting Package \$450

One way to prevent a flat dance floor vibe is to captivate your guests with our dynamic moving head LED lights. These lights add energy and excitement, moving to the beat and creating an immersive experience.
