

Digital Jungle Rental

Rates & Add-ons

Welcome to Digital Jungle in the Heart of SoMa, San Francisco!

This new event venue is the ideal space to blend digital innovation with creative expression. Fully equipped with advanced AV, including an LED wall, digital signage, and a dedicated podcast room, Digital Jungle is perfect for hosting workshops, hackathons, mini-conferences, and networking meet-ups. The space is available for rent.

Want to see it in action? Digital Jungle hosts the [AI User Group Meetups](#) nearly every Wednesday, a gathering designed to boost AI learning and practice with talks and use cases tailored for marketers, designers, and developers.
