

PRICING PACKET

These are our standard schedules; your exact price quote will be adjusted for your specific schedule. You can add or subtract as much time as you need. After David speaks with you, he'll provide you with your exact price quote.

We offer discounts for off-season military, Friday and Sunday weddings, as well as specific open dates. We accept credit card, Venmo, Zelle, and checks.

Each ensemble is made up of the same musicians, it's just a matter of how many musicians you need. Fill out the contact form to set up a Zoom meeting with David. We're friendly experts who are here to help you!
