

Events

Few things inspire
as much awe as the
vastness of space. That sense
of wonder radiates through
Space Center Houston,
making it a perfect venue.

Our Space is Your Space

Enjoy cocktails and hors d'oeuvres inside a historic shuttle carrier aircraft; revel in a reception under the stars surrounded by moonrocks and flown spacecraft; host your professional event among some of the most inspiring innovations of our time at Space City's most iconic venue.

The Event Space

Space Center Houston, a leading science and exploration learning center, offers immersive experiences featuring engaging space and science exhibits and activations.

The Space Center Houston can accommodate a wide variety of event types – corporate, non-profit and social events are all welcome. Our venues operations team will work with you to design a one-of-a-kind experience that will appeal to any audience and size, from intimate meetings to parties of over 5,000.

The Menu Curation

Space Center Houston has partnered with Wolfgang Puck Catering as the exclusive caterer for all events and celebrations. The experienced team is known for personalized attention, engaging food science activities, and exceptionally executed events. We rely on careful preparation, artful presentation and our legendary restaurant-style hospitality to create engaging event experiences with no stress to you.
