## COORDINATION PACKAGE \$2,000 ('25) | \$2,400 ('26)

Wedding coordination involves streamlining your wedding day, much like day-of wedding planning or day-of coordination. However, it requires planning and work beforehand to ensure your vision is executed correctly. Once you have your wedding date and venue, you can book us as your wedding coordinators. We will work closely with you starting 6 weeks before the wedding. We also offer add-on services to this package, they are listed on page 2.

## PLANNING & DESIGN EXPERIENCE \$14,000 ('25 & '26) \$16,000 ('27)

Our planning and design experience involves collaborating with you to create and execute your wedding. We'll develop your design and present it to you in custom sketches and 3D renderings. We'll take you on a tour where you'll experience all the essential elements for your wedding. Plus we'll handle all the nitty gritty details,, keeping you informed along the way about the budget, bookings, and overall progress. We have some great tools to make that a breeze. You remain in control of how much you spend and who you spend it on but we'll help you make the most of your investment.

## ALL-INCLUSIVE \$20,000 +

Our all-inclusive experience elevates the creative aspects of designing an authentic and immersive wedding while protecting our clients' most precious resource, their time. We source the *best* creative partners nationally to execute one-of-a-kind wedding experiences for clients with discerning tastes and expectations. We also handle every aspect of the wedding, including contracts, payments, supplies, and details. Our fee is a percentage of the total cost of the project, based on a markup of material costs and subcontractor labor. Contact us for a typical minimum price per head based on the guest count, venue, design, and specifications.
