Frequently Asked Questions

Is there a bridal room onsite?

Yes, we provide (2) onsite bridal rooms for getting ready on the wedding day. Strategically located on opposite sides of the building, ensuring no encounters prior to the first look or ceremony. One of the bridal rooms offers excellent lighting and features multiple mirrors for hair and makeup preparation.

Do you have adequate parking?

Yes- we can park weddings of 175+ people and we direct cars as necessary. Shuttles are only necessary in the winter months with weddings over 175 guests.

Is there a dancefloor? Is there an extra cost?

Dancing is available in the courtyard, banquet room or Barrel Room and wouldn't require a rented floor. Dancing in the covered barn would be on rock, so would need a dance floor rented from a rental company.

What are the additional costs?

We also rent for you and manage the dining plates, flatware, bar, and table glassware. If you rent dishes, flatware, glassware, and linens through us, it adds approximately another \$15-\$30/person for depending on your choices. Other decorative items can be rented for additional fees. The caterer is expected to remove all trash and recycling generated by the event. If they don't, there is a fee for us to handle trash and recycling variable by the size of the event. All other labor and supplies are contracted separately.
