CONGRATULATIONS!

You're madly in love and engaged!
Now the wedding planning begins and
**choosing a photographer is one of the
most important decisions you will make.**

You will spend more time with your photographer than any other vendor on your wedding day, and I encourage you to choose a photographer whose work you love, and who you trust.

I approach every wedding with the intention of capturing the day in the most genuine ways. My goal is to capture your real personalities and all the little things that make you and your wedding unique and special, while providing an experience that feels fun and relaxed!

I am a storyteller at heart and the images I create for you will invite you to travel back in time during the years to come - to relive your memories with the people who help celebrate your love.

FREQUENTLY ASKED QUESTIONS

WHERE ARE YOU BASED?

I live in Santa Barbara, California and my local range (no travel fees) includes any location within 50 miles of the following areas:

**Santa Barbara + San Luis Obispo +
Los Angeles + Malibu + Paso Robles**

HOW MANY PHOTOS WILL I RECEIVE?

I deliver at least 75+ final images for every hour of coverage. That means an 8-hour wedding will yield 600+ photos and often **MORE**, depending on the number of guests you invite & photographers you book.

WHEN WILL MY PHOTOS BE READY?

I will share your photos with you in 3 stages:

1. A sneak peek of 15+ photos, including highlights from throughout your entire day, delivered within 1-3 days of your wedding / session.
2. Your full collection, uploaded to an online gallery within 3-4 weeks (or 2-3 weeks for elopements / sessions)
3. Your high-resolution photos, delivered via online Download Link (available for 30 days).

WHAT DOES AN ENGAGEMENT SESSION INCLUDE?

Each 1 hour session includes 75+ photos, an online gallery, and high-resolution copies.

I am also happy to provide unlimited advice on lighting, locations, timing, and outfit choices to ensure you are thrilled with your photos.

CAN I MEET YOU BEFORE THE WEDDING?

Absolutely! I love to meet with you and get to know each other better before the big day.

CAN I PRINT MY OWN PHOTOS?

Of course! All packages include a print release, and you are not required to purchase products directly from me. That being said, any artwork ordered through my print store includes complimentary retouching and a 100% satisfaction guarantee. Photos are printed on your choice of archival quality paper types and colors are true to life and printed to perfection. Matting and framing services are done by hand, and made to last.

I can also advise on the best ways to print and display your photos so they look their best.

CAN I BOOK A CUSTOM PACKAGE?

Yes! I offer customized pricing as needed and will happily provide you with a custom quote to make sure you receive the photography coverage you're looking for.

WHAT HAPPENS IF I BOOK A CERTAIN NUMBER OF HOURS, AND END UP NEEDING MORE?

I would never leave your wedding without checking in with you first to see if you're done with photos. You can always add on additional time.

WHO IS YOUR SECOND PHOTOGRAPHER?

I work with a handful of talented photographers whose availability depends on the location and time of year. They are photographers I trust, and know their quality of work is similar to mine. I edit my own shots as well as theirs to ensure consistency in your collection.

HOW DO WE BOOK?

I ask for a 50% retainer and signed photography contract to officially reserve your wedding / session date, with the remaining balance due one month before the big day (one week prior for sessions). Alternative payment plans are available if needed.

MORE QUESTIONS?

I'm here to answer any and all questions you have!

After you book, I'm committed to making sure you get the most out of your photos. That includes timeline consultations, location scouting, and helping you stay relaxed and comfortable while shooting together.

I can't wait to work with you!!
