HI, I'M SOPHIE!

My passion for weddings began at a young age when I would immerse myself in wedding magazines and create style boards for fun. After college, I gained valuable experience planning fundraising events while working with various non-profit organizations in Boston and Pittsburgh. As my event career progressed, I had the opportunity to collaborate with esteemed wedding planners, learning from their expertise and building lasting relationships with other creatives.

I thrive on the logistics of a wedding day. Whether it's organizing a detailed tent installation and load-in schedule or flipping a ceremony space into a reception venue. I take pride in staying calm under pressure and handling any challenges seamlessly, ensuring that the couple and their guests can fully enjoy the day without worry.

I truly love what I do and am honored to work with such incredible clients. I look forward to helping you create the wedding day of your dreams.

FULL SERVICE PLANNING

Starting at \$10,000

Our Full-Service package is perfect for couples seeking a seamless, stress-free planning experience from start to finish. We handle every detail of your wedding, allowing you to fully enjoy your engagement while trusting that your day will unfold flawlessly. This package includes comprehensive planning, design, and execution, ensuring you receive personalized attention, expert advice, and the highest level of service. After the initial consultation, we will provide a detailed proposal outlining design elements, scope of work, and pricing

Please note: Couples planning a tented celebration must book the full-scale package to ensure the highest level of oversight. Tented events require an elevated level of logistics and service, making this package essential.

PARTIAL PLANNING

\$6,800

Our Partial Planning package is ideal for couples who have already made progress with their planning and need more support than a day-of package, but less than full-service planning. It's the perfect middle ground. This package allows couples to stay actively involved in the planning process while receiving expert guidance and assistance every step of the way.
