YOU DESERVE A WEDDING GALLERY THAT IS BEAUTIFUL AND TIMELESS

We specialize in capturing moments of timeless beauty and elegance, creating wedding galleries that reflect your unique love story. My passion for wedding photography goes beyond just taking pictures — it's about crafting a gallery that will take you back to your most cherished moments. Every couple deserves more than just photographs; they deserve a legacy that tells their story for generations to come.

YOUR WEDDING JOURNEY

THE CONSULTATION

Our journey begins with a personalized consultation where we dive deep into your vision. From the style and ambiance of your wedding to the moments you want to capture most, this conversation ensures I truly understand your dreams for your big day.

THE CUSTOM PROPOSAL

After our consultation, I'll provide a custom proposal designed specifically for you. Rather than offering one-size-fits-all packages, I tailor each collection to fit your unique needs. Whether it's an intimate gathering or a grand celebration, the right package ensures your day is beautifully documented.

SEAMLESS PLANNING

I work closely with your wedding planner and other vendors to ensure a seamless experience. Together, we make sure every detail is executed flawlessly, while I capture each moment with care, making sure nothing is missed.

WEDDING DAY EXPERIENCE

On your wedding day, my approach is unobtrusive yet comprehensive. With a team of second shooters, if necessary, I'll be there from start to finish, capturing the elegance, emotion, and magic of your day in timeless photographs.

AFTER THE WEDDING

1. After your celebration, I'll deliver your gallery filled with beautiful images of your day. Additionally, we'll work together to create a stunning heirloom album that you'll treasure forever. From start to finish, your experience will be seamless, sophisticated, and stress-free.

OUR SERVICES

ENGAGEMENT SESSION

Capture the excitement and romance before your wedding day with a personalized engagement session that highlights your connection. A complimentary engagement session is included with every wedding proposal.

FULL DAY COVERAGE

Whether you're having a grand ballroom wedding or an intimate gathering, I provide full-day coverage to ensure every important moment is documented. We'll work together to craft a timeline that allows for every memory is captured.

FINE ART ALBUMS

Your wedding day is a once-in-a-lifetime event, and we believe it should be preserved in an album as beautiful and timeless as your memories. Together, we'll design an heirloom album that will be passed down for generations.

PRAISE & RAVES

"There are so many decisions to make when planning a wedding but believe me when I say Cassidy is the only way to go when choosing someone to capture the most important moments of your life. From start to finish, she was professional, creative, reassuring and amazing to work with. She had a laid-back approach that put us at ease and really took the time to understand what our vision was. She was in constant communication with us and went out of her way to not only meet, but exceed our expectations. They say a picture is worth a thousand words and I'm pretty sure we heard the word "obsessed" that many times when people saw our photos. We hired her to be our wedding photographer, but by the end of everything, we gained a friend and I know you will have the same experience."

ALEX & JAKE

"Cassidy is the obvious choice when picking a photographer for any reason here in Kansas City. She paid so much attention to the details that mattered most to my husband and I. It felt like we were having a friend photograph the day because that is how much she cared to make everything perfect for us. We are so happy to have these photos to cherish for the rest of our lives! I am looking forward to having her capture our future life milestones!"

ABBEY & CHRISTIAN

"Cassidy is the most genuine, creative and talented photographer I've worked with! Her organization is beyond helpful. We hired her services for our wedding, which included engagement photos. Between her and our cake (lol), our guests honestly can't stop talking about how much they loved our photographer and her efficiency, talent and kindness! Not to mention being the #1 hype girl for your sessions. I'll recommend her forever!"

PAIGE & COLIN

"I could never recommend Cassidy enough. Choosing your wedding photographer is a huge commitment, and we are so confident with our decision in choosing Cassidy. Throughout the whole planning process, she was so easy to work with and answered all our questions. She went above and beyond during the planning process and especially on the day of the wedding. My whole bridal party says they've never worked with a better photographer and she was the BEST hype girl the whole day. She made us feel super comfortable and she did an amazing job at guiding us through pictures and posing us. We've only gotten our sneak peeks back so far but we're already OBSESSED with them and can't wait to get the rest back. We can never thank her enough for capturing our big day!"
