ABOUT WESTLAND

Founded in 2010 in Seattle, WA, Westland Distillery mashes, distills, matures and bottles American Single Malt Whiskey in the heart of the Pacific Northwest. Distilled in the Scottish tradition and matured in the American style, Westland brings a new and distinctly American voice to the world of single malt whiskey.

ABOUT THE SPACE

As the nation's largest single malt whiskey distillery, Westland offers one of the premier event experiences in the Seattle area. The distillery's mix of rustic, old-world architecture and impressive industrial equipment makes it a unique and memorable venue for your guests. Located in the SoDo district of downtown Seattle, the 13,000-square-foot space boasts 40-foot ceilings, exposed wood beams and large open spaces. The Tasting Room and Bar serve as the main area for entertaining guests, while the attached Cask Room allows for a more intimate setting.
