## HOW MUCH DOES OUR SERVICE COST?

We are thrilled to collaborate with you on your special event!

In our many years of experience, we've seen that no two clients, experiences, or events are exactly the same and instead they are unique in nature and scope. And, we absolutely love that!

Based on the level of effort for customizing and tailoring our client's needs, our minimum event planning/management fee is \$3,500.

After discussing your event needs and desires, we will provide a custom and cohesive proposal with curated elements, to include full pricing for your event.
