

Nakayoshi Studios

Wedding videography packages

Essentials Plan *from \$3,500*

This will capture your selection of the most important moments from your wedding day. We will start at 4 continuous hours filming (though more can be added), usually covering the ceremony, portraits, and the beginning of the reception.

4 hours filming
3-5 minute video
Digital delivery
Second shooter
4K footage

Classic Plan *from \$6,500*

This is our most popular plan! This will include all the most important moments of the day, usually reaching from the first look to the end of the reception - though hours are negotiable.

8 hours filming
5-7 minute video
3 social media reels
Digital delivery
Second shooter
4K drone footage
4K footage

Premium Plan *from \$9,500*

This plan will cover the entirety of the day, with both a short edit and a longer documentary-style video included. We are also open to using some of these hours to film events the day before, though usually hours will be continuous.

10-12 hours filming
15-20 minute video
6 social media reels
Digital delivery
Second shooter
4K drone footage
4K footage

Customizations: Got something specific for us? From multiple days of filming for a wedding to an elopement, we'd love to hear what you have in mind. Our prices and add-ons are fully customizable, with options for length of video, length of filming, number of videos, social media reels, recording the full ceremony and/or speeches, and anything else you have in mind.
