# ABOUT US

## PIGGYBACK

Helmed by Chef Leah Cohen, Piggyback is known for delicious Asian flavors, friendly service and fun, lively energy. The menu is not constrained by a particular region or country, but rather travels throughout Asia to deliver crowd-pleasing street food classics and innovative cocktails.

## CHEF LEAH COHEN

Leah gained recognition on Bravo's hit show *Top Chef*, and has appeared on various Food Network shows and popular morning shows like *The TODAY Show* and *Good Morning America*. She honed her skills in Michelin-starred kitchens, working alongside some of the world's best chefs.

Her Filipino heritage and regular visits to the region heavily influence her cooking style, which combines authentic Southeast Asian flavors with classical Western techniques.
