

GENGHIS COHEN

EVENTS + PARTIES

A FAIRFAX DISTRICT ORIGINAL

Genghis Cohen has been serving NYC-style Chinese food to Angelenos and out-of-towners alike since '83. Founded by music producer, Allan Rinde, this was his ode to a cuisine readily available in his hometown of NYC, but harder to come by out west.

Under the current ownership of two native New Yorkers, we continue to offer the same level of excellence our customers have come to expect (and love).
