We know you have a lot of options when choosing a restaurant for your special event. We at the County Line want your experience to be a relaxed and enjoyable occasion. Therefore, for the sake of both parties, we would like to go over a few items now, so that when your party arrives all you have to worry about is having fun and "Getting it all over 'ya!"

- We offer these five party areas: The Music Room (seats up to 70 people), The Bungalow Room (seats up to 50 people), The Patio (holds up to 60 people), The Patio/Music Room Combo (seats up to 120 people) and the Bungalow/Niche Combo (seats up to 125 people).
- When you book your event the applicable room fee of \$100 (per room January - November) or \$200 (per room December) must be paid up front. The room fee is non-refundable unless 30 day notice is given for event cancellation.
- A room fee payment is required to reserve the party areas. Your private event is not officially booked until we receive the completed electronic document and the applicable booking fees have been paid in full. Then and only then will your event be confirmed.
- Private party areas require a per person minimum of \$27.99 to be reached through food and/or beverage, and a minimum of 25 guests. (Tax and service charge are additional)
- A 22% service charge will be added to your final bill. This is broken up into a 4% Booking/ Coordination Fee & 18% Gratuity. The 18% gratuity goes to your assigned day of event servers/ bartenders.
- Call and confirm your guest count 48 hours prior to event with Kristyn Huerta or manager. Otherwise, we will prepare and charge for the original number of guests on the booking form. Please understand that we prepare all our food from scratch daily, and we want to make sure we have plenty of our legendary barbecue cooked up for your group.

Cancellations, No-Shows, Rescheduling, Penalties

- In the event of a government mandated closure of restaurants (due to war, acts of God, fire, pandemics or other reasons) where The County Line cannot legally host your event, The County Line will work with the private event host to reschedule for a future date or alternative event options, i.e. offsite catering/ delivery (no rebooking fee applied). If the private event host is unable to reschedule or work with The County Line on other event options then The County Line will waive 50% cancellation fees, return deposits (less 10% credit card processing fees) and will return the room rental fees in the form of a County Line Gift Card without expiration (less 5% credit card processing fee). This scenario is if and only if there is a government mandated closure of restaurants.
- There is a 5 guest leeway for guest no shows. If more than 5 of the confirmed number of guests do not show up the host will be charged for all guests less the 5 guest leeway. Please Note: The agreed upon guest count is the number called in at least 48 hours ahead of time. If the private event host doesn't reconfirm within 48 hours of the event, then the original number on the booking form is the agreed upon number. example: If your confirmed guest count is 65 and only 58 guests come to the event the host will be charged for 7 no shows.
- If the party does not show up the credit card on file will be charged for 50% of the amount of guests the party host booked the event for.
- If damages occur, which require repair, as a direct result of carelessness of private party actions.
- Private event host must give 30 days notice if they wish to cancel their event. If 30 day notice is given there will be no penalty fee and they will receive a full refund of room fee. If the private event host cancels less than 30 days before their event the room fee will NOT be refunded and the event host will be responsible for payment of 50% of the total guests booked on private event form.
- If you cancel properly and we are reimbursing you for your rental fees and/ or deposits. We will return the monies less 10% credit card fees that we incurred through the charge and return of the monies.
- **All December bookings are considered final as of October 1st**

Miscellaneous

- To better serve your special occasion we have a number of private party packages available for your guests, it is up to you to choose the package that would best suite your guests. We will happily guide you through the process and make suggestions if you would like.
- We offer open bar where the host of the party pays for all drinks, Limited Bar where we serve certain items (agreed upon selection) or a Cash Bar where each guest pays for their own drinks as they are served.
- We would like to suggest that you make your guests aware that there are two County Line Restaurants in San Antonio. We are located on IH 10 West; this will ensure a smooth function, and no "lost guests".
- You are more than welcome to decorate the room in a tasteful fashion. Decorating times must be approved by manager if it is earlier than thirty minutes before guest arrival time. Please no Confetti.

I understand and agree to the above terms:
