To the Mala and Her Team, I am in awe of you and your team! You are the reason that our special day was so successful. I mean that! 100%! You orchestrated the entire day and night with skill, precision, patience, kindness and astonishing expertise. Mala, you are the Serena Williams, Michael Jordan and Wayne Gretzky of wedding planners! You deserve a medal!

Johanne Helf

Mala is a very qualified event planner. I want to start off by saying she was the event planner for all my pre-wedding and wedding parties . She is unbelievably responsive, and super organized. Mala proved to be an excellent liaison with vendors, which made coordinating appointments and keeping track of event finances a lot easier. We couldn't recommend her more highly.
