4: Are you insured to work at my Venue?

Yes! We carry \$1 million in general liability insurance which covers us to work in any venues.

5: My Venue Requires a Coordinator, but I'm not sure how much help I actually need.

The number one feedback we get is how much stress we took off the bride on their big day and we cannot wait to do that for you as well.

We are excited to chat with you about your vision and where you are in the planning process so we can help you determine which service would be the best fit to make your big day stress free and fabulous!
