

Our Signature Services

On our initial consultation wedding planning call we will learn about your individual needs and expectations for your special day. You will learn more about our different packages and ask any questions you may have to make an informed decision.

Wedding Planning

Ideal for couples who want a trusted partner from day one to wedding day.

This is for you if...

- You want a professional to guide every decision, big and small.
- You're planning a wedding in DC or NYC while managing a busy schedule.
- You value a deeply personalized and stress-free experience.

What's Included:

- Budget creation and management
- Venue scouting and vendor referrals
- Contract review and negotiation
- Design concept and execution
- Timeline creation and guest experience planning
- Wedding day coordination with full team support

Quantity: 1 **\$10,000**

Total: **\$10,000**

Wedding Day Management

Perfect for the couple who's done the planning and needs expert execution.

This is for you if...

- You've booked your vendors but want a pro to pull it all together.
- You're worried about who will manage the day while you're enjoying it.
- Your friends and family deserve to celebrate, not troubleshoot.

What's Included:

- Coordination begins 6 weeks out
- Final vendor confirmations and timeline creation
- Ceremony rehearsal management
- Day-of coordination with 1-2 team members
- Wedding-day problem solving

Quantity: 1 **\$3,500**

Total: **\$3,500**

We know you're excited to connect with us to talk more about your wedding (and which package is the right fit for you).
