CHICAGO'S **HISTORIC LAKEFRONT** PROPERTY

Theater on the Lake, located at Fullerton Avenue on the east side of Lake Shore Drive, sits directly on the lakefront with expansive and breathtaking views of the city's skyline, park, and Lake Michigan. Built in 1920 and renovated in 2017, Theater on the Lake is a historic prairie-style structure constructed in brick with sweeping steel arched trusses throughout. The venue boasts a warm and rustic feel, while being fresh with polished concrete floors and modern amenities. Theater on the Lake offers flexible room options for your event, including full buyouts of the building, patio, terraces, and grass fields.

Elegantly restored and enhanced to its deserved beauty, Theater on the Lake joins many of the other iconic architectural gems of Chicago. The fully enclosed and air-conditioned space offers clean, open sightlines without pillars and breathtaking views of the city and lake.

With over 12,000 square feet of continuous space, the open floor plan can accommodate plated dinners for up to 500 and receptions of up to 1,000 guests. In addition to the indoor space, there is a 6,000-square-foot terrace overlooking the lake, as well as a 100-person patio facing the great city of Chicago! The space was designed for special events and shows. An on-site kitchen facility is available in addition to an upstairs green room and two side stage green rooms.

The building can be separated into four equal parts. From our Lakefront Restaurant with grand center bar and our two equal 3,000-square-foot center rooms to our theater room complete with a 16-by-32-foot stage, Theater on the Lake can be configured to meet your special event needs.

Theater on the Lake can accommodate events for fewer than 100 guests in various private rooms and large-scale events utilizing the entire building in a variety of indoor areas as well as outside. Our exclusive list of caterers, floral/decor and audiovisual providers have been hand selected to help make your event perfect. A private events manager will work from start to finish to ensure a smooth and successful event. We understand the importance of communication, responsiveness, and execution.
