ABOUT TREEHOUSE HOTELS

Treehouse Hotels was founded on the ideas that inspire a child to build a treehouse. Adventure, independence, cozy spaces and repurposing crafty things are what make a place warm and special. That's why every Treehouse Hotel celebrates found objects, nostalgic tunes, handmade details and locally sourced treats.

TREEHOUSE HOTEL *Silicon Valley*

Treehouse Silicon Valley is the third hotel within the Treehouse Hotels brand and the first in the US.

Within our Treehouse, every detail is imagined through the carefree, optimistic lens of youth and balanced with a distinctly modern sensibility. With attentive service, locally inspired amenities, thoughtful programming, and several food & beverage offerings, we are about playfulness and freedom.

SUSTAINABILITY AT *Treehouse Silicon Valley*

We know our guests and travelers are thinking about sustainability and that it is important to them. Treehouse Hotels knows we have a responsibility to respect nature and have a responsible mindset.

From conscious construction of our hotel, recycling and repurposing materials including giving new life to decorative pieces of locally found objects, to our ethically sourced supplies, and responsible consumption, we know our choices matter.

CERTIFIED

EVENTS

by nature

EVENTS FOR GOOD.

Certified Events by Nature offers a unique way to host your next event. We unite hosts (like you!), vendors, and guests to create extraordinarily memorable moments that do good and spread good.

Earth Cred:

Through diligent planning, committed vendors, and measurable methods proven by our partners at Foodprint Group, we'll work with you to achieve the credits required for a Certified Events by Nature.

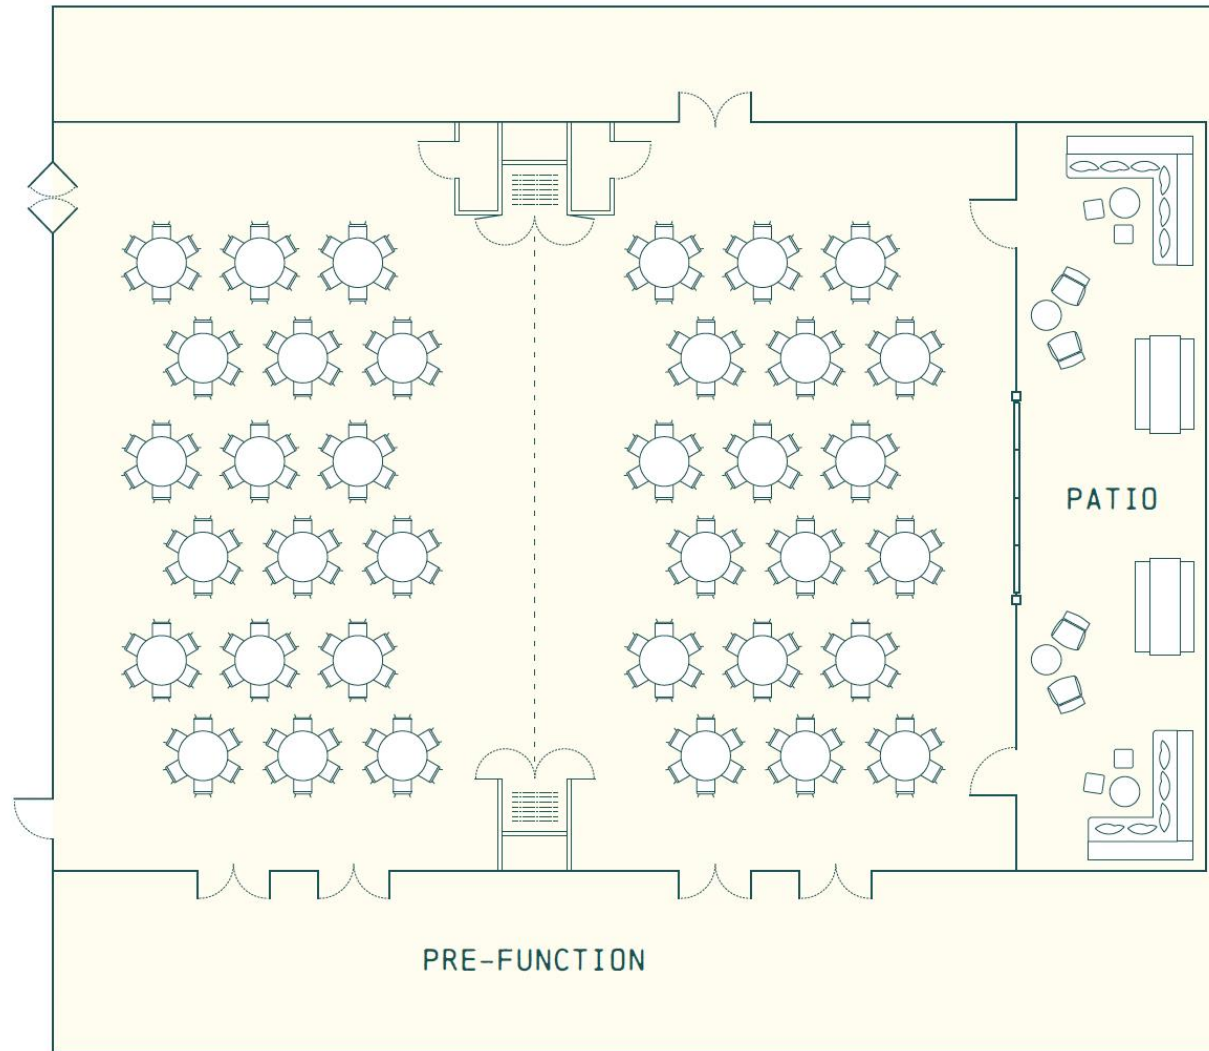

To be considered for certification, your event must meet our 15 minimum credit requirements, but you have the chance to achieve 39 possible credits. With six varied categories, you have so many opportunities to achieve your zero waste certificate.

1. **Vibes High Footprint Low:** We'll hone in on waste infrastructure & processing.
2. **Food For Thought:** Get creative with your low-waste, low-emissions menus.
3. **It Takes A Village And We're All In:** Choose from our vetted vendors or bring your own.
4. **Do-Good Décor:** Explore unique ways to bring your vision to life (quite literally) while considering the entire lifecycle of each element.
5. **Reuse, Reimagine & Remake:** Elevate your event and uplift the world around you by eliminating single-use plastic serveware.
6. **Word Up:** Shout your low-waste mission from the rooftops.
