HELLO FRIEND

Hi, I'm Maria—the heart behind Wondrous Event Planners. I started this company with one goal: to help couples feel present, calm, and truly celebrated on one of the most important days of their lives.

With a background in coordination, hospitality, and creative arts, I bring a unique mix of organization and heart to every wedding I plan. I believe that weddings should feel personal and effortless—from the timeline to the tiniest details—and I'm here to make that happen for you.

I work with all types of couples and all kinds of budgets, but my favorite clients are those who value connection, kindness, and a stress-free experience. If that sounds like you, I'd love to learn more about your vision and help make it a reality.
