*"K.S.OTTER Events literally saved the whole wedding day!"*

"K.S.Otter Events was an absolutely amazing wedding planning team to work with. From the very start, they were excellent communicators, keeping us informed every step of the way and making sure we felt completely taken care of. Their work was nothing short of incredible—beyond amazing! They handled everything for our big day and ensured it turned out perfectly, even when our original caterer was a no-call, no-show. They quickly stepped in and found a replacement at the last minute. They literally saved our whole day! K.S.Otter Events and their team worked tirelessly to make our wedding day truly special. I wholeheartedly recommend them to anyone looking for a wedding planner. They are absolutely perfect at what they do!"

# Kind Words

I truly don't know how we would've pulled off our wedding without Katie. She was such a calming, capable presence throughout the entire process, and went above and beyond more times than I can count.

The day before the wedding, there was a major mix-up with my flowers and I suddenly had nothing. Katie completely saved the day—thanks to her connections, not only did she find a florist last-minute, but she somehow got me the succulent bouquet of my dreams. It felt like magic.

She kept everything on track the day of, made sure everyone knew where they needed to be, and handled all the little things I would've never thought of. We were trying to save money and weren't sure about hiring a coordinator—but honestly, I can't imagine how we would've done it without her.

So, so grateful for Katie—if you're even considering a coordinator, hire her. You will not regret it!

*“I’ve met a lot of Planners but  
K.S.Otter Events is truly the best!”*

As a wedding videographer, I've worked with more wedding planners than I can remember. But K.S.Otter Events stands out among the best! I've never received a more thorough and detailed schedule. She made sure the vendors were well-informed. In this industry, running behind schedule is a totally normal thing, but not once were we behind on ANYTHING. Literally, everything was ahead of schedule! That has never happened for me before at a wedding. Great job, K.S.Otter Events!!!! I can't recommend them highly enough.
