About Studio Neue

Studio Neue is a creative studio space built as a canvas to help bring your photography, work, or event visions to life. Located right in between Old Village and Downtown Plymouth, our space is ready to host your next workshop, meeting, bridal shower, birthday party - the sky is really the limit! The studio offers 1,100 SF for you to curate the perfect space. Check out all the creative happenings and get inspired! We can't wait to see what you create.

Let's celebrate

FAQ

Do you allow off-site catering/vendors?

Yes! As a blank canvas space, we recommend that you bring your own food, drinks, and decor to really transform the space into your dream venue.

How do I access the space?

Within 24 hours of your event, you will be sent a digital code that allows you access into Studio Neue. During your event, the door will stay unlocked to allow for ease of access to your guest.

Who sets up the space?

Once we confirm your guest count and floor-plan, we will set up the tables and chairs. From there, you will be required to set up any additional table styling, decor, and catering.

Can we use the furniture?

Absolutely! We love to see how you transform the space. Furniture can be left out, or stored away as needed (the rolling backdrop cannot be stored.) Use our couches, plants, benches, bar cart, seating, etc. to get creative!

How do we book?

We are happy to discuss booking details with you, or you can book directly on our site: www.thestudioneue.com
