### Made to Order 🔥🧀

Each guest visits the cart and selects any of the following options. *Refills welcome!*

- Locally baked baguette
- Toppings: fig jam, honey, raspberry mostarda, pickles, prosciutto and garlic pesto
- Swiss potatoes, lightly seasoned
- Palate-cleansing cornichons
- French or Swiss raclette by the half wheel
- Optional add-on: Charcuterie

**Includes** the cart, canopy, melted cheese sign, Swiss melter, raclette chef for 120 minutes, forks, plates, and napkins. We use battery power only - no gas.

**Suggested** for gatherings under 60 people where the raclette can take center stage as a meal. It can also be a great fit for larger events with multiple food options.

## Cocktail Party 🍷🧀

Bite-sized raclette is a novel way to serve guests an appetizer or pair with drinks. Every piece is made of crispy raclette cheese with fresh baguette and toppings, served in platters of twelve.

With this package you can choose *three* options:

- Fig and Prosciutto →
- Garlic pesto
- Honey (Hudson Hives)
- Raspberry mostarda
- Mango Habanero

We suggest the *first three toppings* in order to provide a mix of sweet and savory. Each platter will contain a single option and will be topped up as guests gobble them up. *Unlimited refills!*

Platters will be kept warm on heated mats so that every bite is fresh. Full platters will be periodically passed around by the raclette chef. Potatoes are not included. Charcuterie add-on is available. Please let us know how we can make this service uniquely yours.

**Suggested** as an appetizer for larger celebrations with up to 250 guests.
