2025 BALLROOM *ENHANCEMENT*

We are thrilled to announce that the event spaces on the 2nd and 5th floors of Four Seasons Hotel Philadelphia will undergo an exciting expansion and redesign, set to debut in summer 2025 with an expected completion date of October 2025. This transformation will reimagine the way we host celebrations, meetings, and milestone moments, enhancing both the scale and style of our offerings. As part of the renovation, our three ballrooms will be significantly enlarged, allowing us to accommodate up to 400 guests for a seated dinner and 600 guests for a cocktail-style reception. We've included early inspiration from our design partners and look forward to unveiling full renderings in the coming months as we continue to elevate the art of hosting.
