Rave Reviews

"I recently had my daughter's 4th birthday here and the space was absolutely perfect. But even more important than that, the owners Victoria and Jeff are wonderful human beings who made sure that we had what we needed and led with kindness in all that they did. This is on top of the excellent location, made for a fantastic event."

– Rosie C.

"We rented the space for our friend's bachelorette party and had the best time taking amazing and fun photos together! Prior to our reservation, the owners did an amazing job communicating with me to make sure all my questions and concerns were answered."

– Alison T.

"Portrait Space LA is an absolute gem in Pasadena. The space is perfect for intimate events, meetings or workshops. It is a photo studio, so the option to implement their built-in photography area is a bonus! Working with Jeff and Victoria was a seamless and extremely efficient process. I cannot wait to use this space again and again!"

– Cory L., Events by Cory LaNora

"I recently hosted a workshop that involved taking photos so this space was perfect for my goals of the workshop. First of all, the space is stunning, and nestled in such a convenient location in Old Town (right next to my favorite restaurants, and parking was easy all around.). Second, I am not an event planner so I was stressed out but Victoria and Jeff guided me through every step of the process, which was a huge relief. And of course, the photos of my students came out beautiful and were delivered so quickly!"

– Stacey K., Elite Brand Growth

"This is such a fun place to take pictures at your own pace and they come out photographer quality!! I had a small girls get together and the owners were so welcoming and kind! I highly recommend this spot if you're looking for events or photos."

– Needah K., Wild Heart Mamas
